### THE BIG CONVENTION.

[Continued from first page.]

At 6:52 the convention adjourned for one hour.

#### EVENING SESSION.

Called to order at 8 o'clock.

The nomination for county clerk being next in order, R. J. Hendricks nominated L. V. Ehlen, the present incumbent. Wm. Brown moved that it be the unanimous choice of the convention. Sheriff Knight seconded and it carried.

Mr. Bingham named F. T. Wrightman for sheriff. Dr. Jessup seconded the nomination. M. L. Chamberlain offered the name of Thos. Sims of Prospect precinct. John Stegmund named D. H. Looney. The latter nomination was vigorously seconded. The first ballot was taken at 8:15 and resulted as follows:

Wrightman 129, Looney 97, Sims 15.

Mr. Wrightman's nomination was made unanimous. Three cheers were offered for Mr. Looney.

For recorder (the next in order of business) Mayor Claud Gatch asked the convention to renominate F. W. Waters. H. D. Patton moved his nomination be made unanimous and it was so ordered.

For assessor P. K. Fretz, M. J. Connor, C. P. Strain of Abiqua, Charles Cannon of Yew Park precinct, L. Hobson of Stayton, T. B. Patton, H. W. Smith of Turner, J. W. Hobart of Garfield and J. A. Van Eaton of Salem, were submitted to the 247 delegates as suitable persons from whom to choose a nominee.

The first ballot resulted as follows: Fretz 77, Connor 10, Strain 27, Cannon 10, Hobson 16, Patton 21, Smith 11, Hobart 47, Van Eaton 17, Rigdon 7, blank 2. Necessary for a choice, 124. No election.

The names of Mr. Cannon and Mr. Patton were withdrawn.

The second ballot gave the following result: Fretz 91, Connor 9, Strain 39, Hobson 5, Hobart 81, Van Eaton 6, Rigdon 3, Patton 2. No election.

A third ballot was necessary and it was taken at 9:35 o'clock. The vote stood, viz: Fretz 96, Connor 3, Strain 25, Hobart 122, Van Eaton 2. No choice.

C. P. Strain and M. J. Connor withdrew their names, the latter requesting his few supporters to go to Mr. Hobart. There were loud calls for "Hobart."

Now came the fourth and last ballot with the contest between Fretz and Hobart. The count resulted in Mr. Hobart being nominated by a vote of 155. Mr. Fretz receiving the remainder. Mr. Hobart's nomination was made unanimous. The gentleman thanked the convention.

Nominations for county judge now demanded the attention of the delegates. It was 10:15 o'clock when the first name—that of W. C. Hubbard—was offered to the convention by Alex. LaFollett of Labish precinct. The other nominations were Ed. T. Judd of Aumsville, Jas. Batcher of Yew Park, R. A. Crossan of Salem, W. T. Grimm of Hubbard, G. P. Terrell of Mehama, S. T. Richardson of Salem, J. A. Baker of Salem.

On first ballot the result was: Hubbard 40, Judd 24, Batcher 10, Crossan 7, Grimm 60, Terrell 35, Richardson 31, Baker 14, scattering 2. No election.

The name of Mr. Hubbard was withdrawn by Mr. LaFollett and three cheers were proposed for Marion county's present judge. They were given with a will and Marion county's present judge received hearty congratulations for his action in the matter.

The second ballot was begun at 10:35 Terrell received 134 votes, Judd 11, Batcher 0, Crossan 2, Grimm 62, Richardson 30, Baker 5, Terrell elected. The new nominee thanked the

delegates for the honor of being their next county judge.

For county surveyor B. R. Herrick was nominated by Mr. Bingham. The name of Alfred Gobalet was also offered. The latter gentleman has always been known as a Democrat. Two years ago he was nominated by the Democrats for the surveyorship but declined to allow his name to be used. Mr. Herrick is the present incumbent. He received 172 votes, the remainder going to his opponent.

The next on the order of business was the nomination of a county treasurer. For this the following names were placed before the convention: Jas McCormick of North Salem, John Porter of Stayton, A. W. Drager of Yew Park, Jasper Minto of Salem, Scott Bozorth of Salem, R. W. Carey of Prospect.

On the first ballot the following was the result: McCormick 5, Porter 53, Drager 18, Minto 102, Bozorth 54, Carey 10. No election.

Another ballot required. The names of McCormick and Carey were withdrawn. The enthusiasm appeared to equally divided among the friends of Bozorth, Porter, and Minto. Their names were shouted from one end of the hall to the other and a guess at the final result was impossible. It was just midnight when the tellers began the count of the second ballot and the official result was as follows: Minto 119, Porter 55, Drager 0, Bozorth 70. Again no election.

Mr. Drager's name was here withdrawn.

The third ballot resulted in the following: Minto 123, Porter 26, Bozorth 100. Minto declared elected amid great applause. He was pushed to the platform and thanked the boys.

The school superintendency was next. Geo. W. Jones, now teaching at Turner, was nominated by F. C. Perrine. Mr. Judd seconded the nomination. Mr. Chamberlain named Prof. E. H. Anderson. Prof. A. L. Briggs, Prof. H. H. Smith, Prof. D. W. Yoder and Prof. O. H. Byland were also nominated. Mr. Jones received 115, Anderson 39, Briggs 26, Smith 24, Yoder 15, Byland 15.

A motion was made to declare Mr. Jones the unanimous choice of the convention, but Chairman Waldo decided it out of order as the other names had not been withdrawn.

The town clerk struck 1 as Chairman Waldo called for another ballot on the superintendency. Prof. Jones' vote this time was 179 and, of course, he was declared to be the nominee.

For county commissioner S. P. Kerr of St. Paul, S. A. Riggs of Prospect, J. N. Davis of Silverton, H. Goulet, J. F. Anderson and Lyman Savage were "billed" for the convention to select from. On the first ballot Kerr received 20 votes, Riggs 49, Davis 81, Goulet 43, Anderson 33, Savage 22.

A second ballot was taken at 1:50 a. m. (Wednesday) and J. N. Davis received a sufficient number of votes to make him the nominee.

A. M. Clough was nominated for coroner without opposition.

#### AN OLD SOLDIER NAMED

For Legislature Honors in Marion County.

E. W. Chapman, the successful candidate of Labish precinct, which the eloquence of Alex. LaFollett did much to place in a favorable light before the convention, was born in Ohio, in 1836, moved to Iowa as a part of the family belongings in 1846, and resided there seventeen years, except one year of the time spent in the war of the rebellion, as a member of the 4th Iowa infantry. He moved to Colorado in 1863 and to Oregon in 1877. He has resided in Marion county since and has been a thrifty, successful farmer. He is not a wealthy man, but he says he has always made a living and paid his taxes and has been loyal to the old flag. He is entirely self-educated and is a systematic student, giving two hours each day to reading. His first vote of importance was for Lincoln in 1860, and he has been a consistent Republican since. His position on financial and other matters may be most concisely stated in his own words. He says: "I want all the money of both metals that we can use, and the free coinage of both gold and silver at a suitable ratio. I am a tariff man; for such a tariff as will bring revenue and give beneficial protection. I am for reducing expenses to the lowest possible notch, and for placing all officers on salaries instead of fees, and of cutting off useless commissions." Mr. Chapman is a vigorous, hearty old veteran, and a member of Sedgwick post No. 10, G. A. R., Salem.

Mr. Chapman is a hearty supporter of the principles represented by Senator John H. Mitchell.

From Albany Democrat under the head of misfits: The Statesman refers to Hon. T. Ford, as the man the people will support for member of congress. He will have to make himself known on the financial question first. He can't dodge that as he is doing now.

Mr. J. H. Fletcher lectures this evening at the West Salem hall on "American Humor." Henry Kundret will sing also.—JOURNAL. We judge from the above that Brother Fletcher has taken to singing his lecture. He no doubt reaches high C in it.

The comment on the street was that THE JOURNAL stayed with the people and the people stayed with their friends.

It was a great convention. There were a few men in it with mud on their boots.

Deafness Cannot be Cured. by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

## MILLS' CUBAN PLAN.

How He Would Render Aid to the Islanders.

### THE SENATORS SPEECH.

Favors Armed Intervention—A Law of Protection.

WASHINGTON, March 25.—The displacement of the Cuban resolutions no apparent effect in diminishing the attendance in the senate galleries today as it was expected that Mills' resolutions, proposing to use the army and navy in taking possession of Cuba and holding it until the people had established a local self-government, would occasion further debate.

A bill was passed amending the law prescribing the death penalty for Indians convicted of rape, and leaving the punishment discretionary with the court.

Resolutions offered by Hoar were adopted requesting the president to transmit to the senate all dispatches, correspondence, etc., from November 5, 1875, to 1878, concerning the pacification of the pending conflict in Cuba.

Mills was recognized at this point in support of the Cuban resolution introduced by him yesterday. He said the resolutions heretofore before the senate were steps in the right direction, but very short steps. The people of Cuba had far greater claims on the United States than the mere recognition of belligerency. If Ireland struck for liberty today, the hearts of the American people would beat in sympathy, and it would be so if Poland or Hungary asserted the right of liberty. But the United States had much closer relations to Cuba than to Ireland and Poland or Hungary, for it was a part of the western hemisphere, over which the Monroe doctrine was a law of protection, and as such God was the author of it. It was the same right of self-protection which the individual exercises in abating a nuisance or destroying a powder-house near his premises.

IN THE HOUSE.

WASHINGTON, March 25.—Over 100 members have taken advantage of the fact that the house has no important matters pending to go home, and the attendance is consequently very slim.

Hitt, chairman of the foreign affairs committee, called up the message of the senate announcing the senate's disagreement to the conference report on the Cuban substitute for the senate resolutions and agreed to the further conference asked for by the senate.

The speaker appointed the following conferees on the Cuban resolutions: Hitt, Adams (Republican), McCreary (Democrat).

The bill to amend the internal revenue laws so as to make the sale of spirituous liquors, except under a brand designating the kind and purity, punishable by a fine of \$500 and imprisonment for six months, was passed.

Boutelle, chairman of the naval committee, reported the naval appropriation bill.

#### PACIFIC RAILWAYS.

WASHINGTON, March 25.—The house committee on Pacific railways yesterday gave a hearing to General Braham of California, in reply to Stubbs, the general track manager of the Central Pacific. General Braham read newspaper extracts bearing on the subject, which, he said, showed that the people of California were not unanimous upon the question of refunding. He quoted the opinion of the attorney-general to the effect that the statute of limitations ran against the government as against other creditors. This, he said, was not the issue. The United States was not barred, and he cited the supreme court decisions on the question. The government, he claimed, could enforce the original liability of stockholders without proceeding through the company. In conclusion he expressed the belief that the question should be settled by the courts and not by congress.
